

Dear Friends of *The Christian Worldview*,

The Thanksgiving and Christmas season is a special time of year when we are reminded that we have so much for which to be thankful to God.

**T**he following passage from the book of James says it so well: “Every good thing given and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shifting shadow” (1:17).

If you are able to brush aside all the commercialization, Christmas is a wonderful reminder to be thankful for the Perfect Gift that was sent down from above to provide the one way for sinners to be reconciled to God. Jesus was born of a virgin, lived a sinless life, and then offered Himself on the cross to pay God’s required death penalty for sin in our place. When we repent of our sin and place our faith in the person and work of Jesus Christ, God promises to forgive our sins, declare us righteous, and give us eternal life with Him in heaven. Now that is a Christmas gift everyone should receive with open arms!

And Thanksgiving is another reminder that this nation, the United States of America, has been another “good thing” given from above with our Christian foundations and the accompanying freedoms we’ve enjoyed. And while there are increasing infringements on our Christian liberties in America, let us be thankful that we can still own and read the Bible, assemble together to worship, and share the gospel with those who don’t know Jesus Christ. Most of our brothers and sisters in Christ across the world don’t enjoy these great privileges -- let us remember to pray for their strength and courage.

The end of the year is also a time when I’d like to thank those special people who help make *The Christian Worldview* possible.

**SPONSORS:** Our three national sponsors, Summit Ministries, The Master’s College, and The S. Lewis Johnson Institute, have loyally stood with us from our early days of radio syndication. Please, utilize them or just contact them to say “thank you” for their financial support of *The Christian Worldview*. Their contact information can be found at the end of this letter.

**RADIO STATIONS:** Christian radio has had an enormous impact on my family (my grandmother and mother were saved through hearing the gospel on Christian radio) and I know it has impacted many of you, too. So a sincere thank you to all the stations and networks that air *The Christian Worldview*. Please support your local station and send them a word of encouragement.

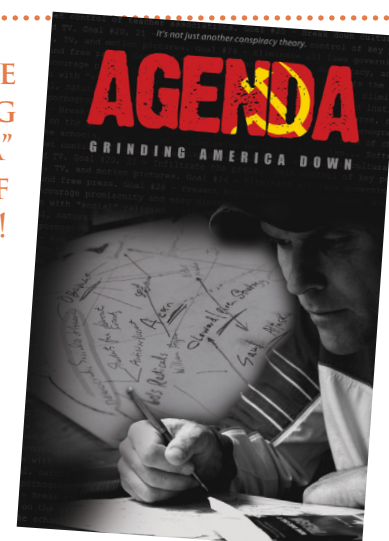

**TEAM:** You may hear just my voice on the radio program, but behind the scenes, we are blessed to have a dedicated team who each plays an important role. So let me thank Michael Hamilton (syndication), Roger, Bobby, and Jim (technical), Linda (scheduling), John (correspondence), and Sue (transcripts) for their crucial service to this ministry. I’d also like to thank our Board of Directors for their leadership and devotion. And I’d especially like to thank my family for their continual love and help with *The Christian Worldview*.

**LISTENERS:** Finally, let me thank you for listening to and reading the on-air and online content of *The Christian Worldview* and then responding, encouraging, and praying for us. What brings us the greatest joy is when lives, including our own, are impacted to the glory of God through understanding and applying Scripture in every area of life.

Yes, I would like to receive the FREE weekly email from The Christian Worldview.

# QUOTES & SUCH

*"Dear David,  
Every once in a while, along comes  
a film that is so well presented, so  
insightful, and so profound, that  
I feel compelled to share it with  
everyone who is concerned with  
America's future.*

*You will be lifted up by this film  
because you will be one of but a  
handful of Americans who truly  
understands the root causes of our  
troubled land.*

*The film explores all the relevant  
issues affecting our lives and our  
future. But more importantly, it  
exposes The Agenda that has brought  
America to the brink ... financially,  
morally, and spiritually. If we fail,  
it's lights out for We The People and  
for all those nations who look to us  
for protection.*

*You'll be wondering  
if there is any hope.  
Yes, there is hope.  
This film will lay it  
out."*

We'd also like to thank you for supporting *The Christian Worldview* financially this year. Plainly stated, we could not operate a nationally syndicated radio program without your donations and our national sponsors.

**T**o thank-you for your support, we will be sending everyone who gives \$25 or more the brand new, award-winning, 90-minute DVD film entitled, *Agenda: Grinding America Down*, that we featured on the radio program a few weeks ago.

If you missed this program on November 20th, please go to [TheChristianWorldview.com](http://TheChristianWorldview.com) to listen or watch the film trailer. I have never seen a film outline so well how the Christian foundations of America have been and are being undermined by those who reject God and His Word.

Take heart, though, because there is always reason for hope for followers of Christ: God is firmly in charge, His plan is being precisely enacted, and He empowers believers through His Spirit, His Word, His church, and prayer to overcome the tests and trials of life. As Jesus said, "These things I have spoken to you, so that in Me you may have peace. In the world you have tribulation, but take courage; I have overcome the world" (John 16:33).

Thank you again for supporting *The Christian Worldview*. We wish you a meaningful and memorable Christmas and God's best and grace in the coming year.

*David*
